

Let's Go

Indoor rollator
Beech/Silver Article No. 0020

Worldwide success.
More than
300 000 sold.

Let's Go, the worldwide success from TrustCare, is a very practical walking aid for people who need a light and flexible rolling aid for indoor use. It also has a beautiful and elegant design. Available in four different colors. It is easy to operate and easy to use in narrow spaces such as in the bathroom. It has a removable tray for transporting, for example, a plate or a cup of coffee. You can use it as a food trolley, a small table to eat from, and as a support if you need to get up from bed in the middle of the night. A fabric basket can be used as an accessory. It is available in two sizes, and can be used together with the tray.

The handles are clad with soft foam rubber, adjustable in height to fit different statures. The brake can easily be operated with only one hand and is active on both rear wheels. The rollator also has of course a parking brake. It can be easily folded and can stand alone when it is folded.
