THE STEEL WHEELCHAIR WITH SINGULAR STRENGTH AND DURABILITY

DURABILITY

Breezy Premium, the best allied you could desire! A chair of another generation, designed in details to last overtime thanks to its incredible **rigidity, strength and ergonomic**. Its steel structure of great quality guarantees unparalleled functionality on a day to day basis, making it as a chair of total confidence.

DETAILS THAT MAKE THE DIFFERENCE

Breezy Premium is a truly comfortable chair that offers many features to make life easier. All the elements have been taken carefully to offer a confidence chair, ultra strong and durable. To offer... a Premium product! Details as **brakes lever with ergonomic handle**, **cushioning comfort armrests** and the possibility of regulating them or the **wide unlocking lever of the footrest** make the Breezy Premium a chair which makes a strong impression.

Knee lever brake with comfortable and ergonomic handle, effective braking with minimum effort.

Armrest flip back for easy transfer with a release lever for easy operation also with finger function. Adjustable soft armpads for improved comfort.

Detachable footrest, can swing outwards and inwards with an ergonomic, rigid and handy latch. Adjustable footplate according to wheelchair width.

THE BEST OPTION

Possibility of choosing between **3 different models** depending on the backrest you prefer (Rigid, Reclining or Half-folding). Anyway, has the option of **choose between 4 colours** plus a **wide range of accessories** to ensure the chair to meet the user's needs perfectly.

3 BACKRESTS

Rigid Backrest

Reclining Backrest

Half-folding Backrest

COLOUR RANGE

4 frame colour.

Forest Green

Ruby Red

Navy Blue

Selenium Grey

ADJUSTABLE - DISTANCE BETWEEN WHEELS

Modifying the position of the rear wheel plate we can change the distance between the front and rear wheelchair. The length of the chair can be lengthened or shortened depending on the turning radius that want to acquired. This helps to gain an more active chair, while lengthening an stable chair will be gotten.

3 SEAT HEIGHT

Breezy Premium can achieve **3 different seat height** (50,5, 48 o 45,5 cm). The height depend on the rear wheels and castors

Set forward
Std. position at the
center of gravity
(+25mm). More active

Set back
Center of gravity -50mm
More stable

COMFORT WITHOUT LIMITS

REDUCED TOTAL LENGTH

The unique design of the front frame and the rear wheel position give a total length of just 76.5cm without footrests. This helps the chairs to gain better access to confined spaces.

WIDE RANGE OF OPTIONS AND ACCESSORIES

Breezy Premium is adapted to the needs of different end users. It offers a wide range of options and accessories, in order to adapt the chair to any person requirements.
