Schou Andersen
MØBELFABRIK A/S

Ny nutidig og klassisk møbelserie, der rammer lige ned i tiden, hvor dansk mobeldesign oplever sin anden guldalder med anerkendelse nationalt og internationalt. Mod Ayo ...

Serien består af spisestol og to varianter af hvilestole, spisebord og sofabord. Ayo tilgodeser de høje krav til blandt andet komfort, stabilitet og holdbarhed indenfor sundhedssektoren, men som har et hjemligt og moderne udtryk.

Ayo indgår naturligt i et helt opdateret plejemiljø uden at signalere institution. Stolens profil gør at den også har en berettigelse uden for sundhedssektoren.

Serien er fremstillet helt i træ efter stolte snedkertraditioner i Schou Andersen Møbelfabrik. Stellet i møblerne er i massiv eg eller bøg. To klassiske træsorter. Sæde/ryg er polstret formspændt traefinér.

Ayo stolen er lavet med tre ryg størrelser, der giver plads til at lege med udtrykket og alligevel skabe heldhed. Stolene kan alle stables.

Ayo/L er en gedigen klassisk spisestol. Smukt indtager stolen pladsen foran det store Ayo spisebord.

Ayo/M er en fantastisk stol der kan bruges både ved spisebordet, som konferencestol eller ventemøbel. Optimal siddekomfort med en god rygstøtte.

Ayo/H er en højrygget, let spise-/og lænestol, som kan finde anvendelse utallige steder. Stolen er velegnet som besøgsstol med høj siddekomfort også ved lengere besøg.

Ayo bordet fås som et komplet bord med et massivt rammeunderstel i to storrelser lavet på en MDF plade med synlige kanter. Det er også muligt at købe bordbens-bukkene løse, så de kan kombineres på kryds og tværs af plade storrelser.

A new modern and classic furniture range that falls square during Denmark's second golden age, with national and international recognition. Meet Ayo....

The series consists of a dining chair and two variants of armchairs, a dining table and a coffee table. Ayo meets the high standards of the healthcare sector; within comfort, stability, durability and so on, while maintaining a homely and modern expression.

Ayo is a natural part of a fully modernised care environment, without signalling institution. Due to the chair's profile, it is suitable for more than the healthcare sector.

The back of the Ayo chair can be stacked, allowing you to play with sizes, while still maintaining cohesion. chairs can all be stacked.

Ayo/L is a sturdy, classic dining chair takes its place beautifully on the large Ayo dining table.

Ayo/M is a magnificent chair used at the dining table, as a guest chair or in a waiting room. comfort with great back support.

Ayo/H is a high-backed dining chair and which has count. The chair is a guest chair, and a great comfort even of use.

The range is made entirely of wood, staying true to proud cabinetmaker traditions at Schou Andersen Møbelfabrik. The furniture frames are in solid oak or beech. Two classic types of wood. The seat/back is in upholstered, moulded veneer.

The Ayo table is a complete solid underframe in two sizes. MDF tabletop with visible edges. It is possible to buy the table-legs separately, so that they can be used every which way with different tabletops.
