

NAVIGATOR AIR

THE OUTDOOR FOREARM WALKER

REHASENSE

NAVIGATOR AIR

THE OUTDOOR FOREARM WALKER

MADE FOR ADVENTURES

The NAVIGATOR AIR was developed for outdoor use. The sporty and stylish rollator has rotatable and comfortable forearm supports, which can be adjusted 0° / 22.5° / 45° inwards for maximum comfort. The clever carrying function, shock-absorbing wheels and practical accessories make the NAVIGATOR AIR a reliable companion during outdoor walks.

FEATURES AT A GLANCE:

- Large shopping bag for carrying up to 5 kg
- Large front wheels for easily overcoming obstacles
- Longer wheelbase for a smoother journey and enjoyment while walking
- User friendly and easily adjustable handle height
- Specially designed, built-in, one-size-fits-all safety backstrap
- Handbrake with locking function, reliable and easy to use
- Patented safety catch "Click & Safe"
- Self-standing feature
- Safety reflectors on bag and frame
