

# FlexiVision 2™

## FLOOR LAMP

E31077

Fact Sheet

A floor lamp for reading, specifically designed to aid low vision and promote comfort through a collaboration with the RNIB and low vision specialists. With adjustable brightness in 3 colour temperatures - Daylight, Cool Light, Warm Light - and a low heat shade for safety even after prolonged use. Easily switch between settings through the colour coded, tactile buttons. Height adjustable, with a flexible arm and multi-swivel head for positioning. Featuring a well-balanced, weighted base that prevents tipping even when fully extended and anti-trip cables to reduce clutter and promote safety.
