News for showing the Likorall Spare Parts in the Likorall Spare Parts List

Since there are so many different Likorall Lift Strap Spare Parts they are all shown first, from page 12. There are several Electronic Cards as well, so they all comes next, on page 17. After page 14 shows the remaining Spare Parts in position number order.

Make sure you order the right Spare Part for your lift, according to serial number (S/N).

NOTE

Make sure the spare part is mounted according to the assembly instruction. Check all functions.
Repairs and maintenance may only be performed by personnel authorized by Hill-Rom/Liko and using original Liko spare parts.
For information regarding Service and Maintenance education, contact your Hill-Rom/Liko representative.
For contact information please visit our website: www.liko.com

Product changes

Liko's products are constantly being updated and refined. Hill-Rom/Liko reserves the right to change aspects of the products without prior notice. Contact your local Hill-Rom/Liko representative for updated information and advice.

Pictures

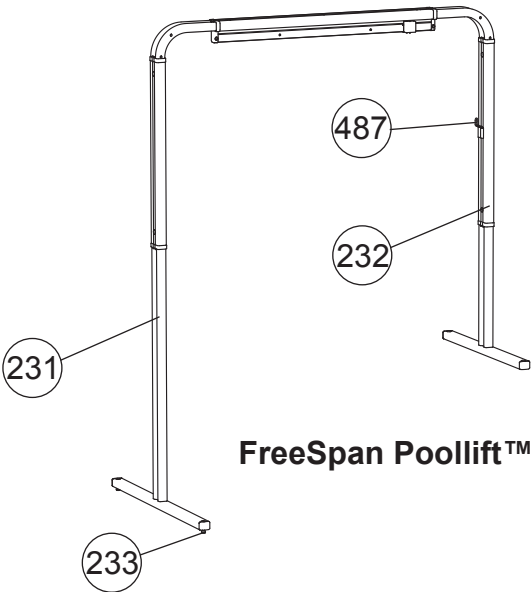

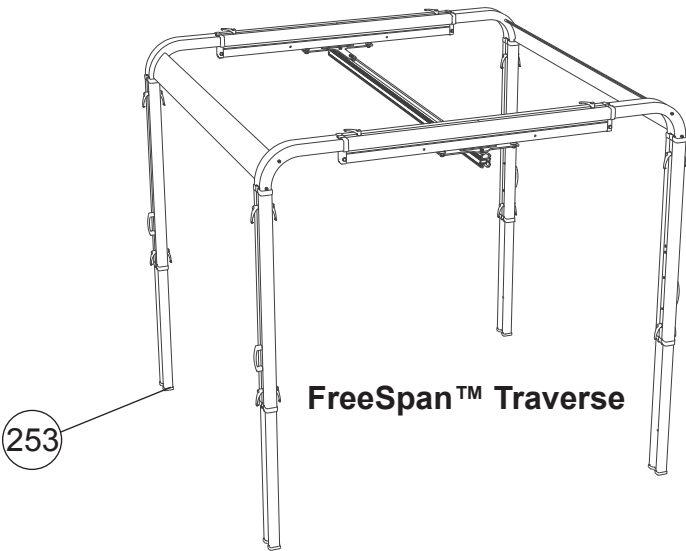

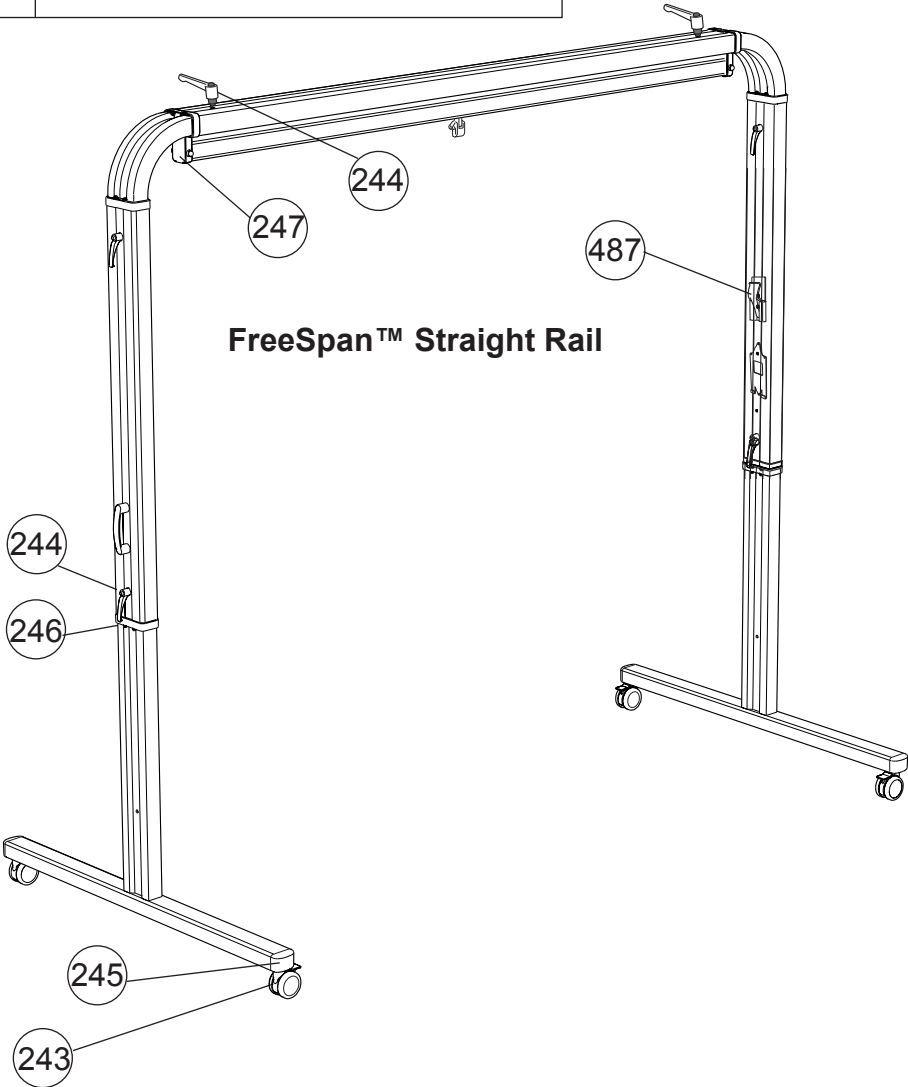

Pictures to each spare part, does not always show all included components.
The Service Manuals contain information regarding components included in each spare part.

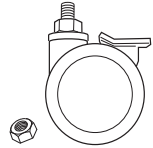

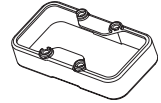

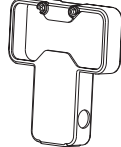

Accessories

In the Product List and in the Instruction Guides, accessories to all the products can be found.
